Dedication

We, the graduating class of 1956, enthusiastically dedicate this annual to the new addition to Victoria High School with the hope that within its halls will be maintained the traditions and standards of our school.

Foreword . . .

This year the Camosun is dedicated to the new wing of the Victoria High School. This addition will furnish us with long-wanted and much-needed accommodation. Remember, however, that a school is not just a building, but the lives and personalities of its teachers and students. Some day the stairs of the new wing will be hollowed from the tread of countless feet, worn as are the stairs of its parent building. May I express a hope that, in the years to come, all of us will have seen it age, like our old school, in happiness, grace, dignity, and pride of achievement.

Principal.

Victoria High School,
June, 1956.

The Story Behind...

V. H. S.

With a new addition to the school and a new administration, the editors deemed it appropriate to include the following history of V.H.S.

The completion of the addition to Victoria High School marks another era in the long history of British Columbia's oldest high school. It was in a small log building at the head of Yates Street, where Central Junior High School now stands, that the first class of sixty students assembled on August 7, 1876. Their principal and sole teacher was the Rev. Alexander S. Nicholson, who resigned only two months later to be succeeded by Mr. S. D. Pope.

By 1882, the enrollment had increased to such extent that new accommodation was needed, so an addition was built on the brick public school specifically for High School use. It was described by the "Colonist" as "a handsome brick building, with a very beautiful and massive entrance consisting of a granite arch." This building was very well built, for it remained in use until 1954 as the central section of the old West Building at Central Junior High. At the time of the new building's opening, Mr. J. H. McLaughlin was the principal. His only assistant was Mr. R. Offerhous, but in 1890 a third member was added to the staff when Agnes Deans Cameron became the first woman high school teacher in the province. It was during this time that many well-known Victorians, such as Emily Carr and Frank Kermode, graduated from Victoria High School.

Dr. E. B. Paul, a very capable and well-loved administrator, became principal in 1892 and guided the school's destiny for the next 16 years. He was assisted by three teachers at this time, but again the need for larger facilities was felt and in August, 1902, the school was moved to a new building fronting on Fernwood Road, which was later to be known as Girls' Central School and the East Building of Central Junior High. Here the faculty of Victoria College of McGill University and the staff of Victoria High School, combined to give excellent instruction in arts, science and commercial courses, as far as the second year of university. The class of 1907-1908 was the last one to graduate under Dr. Paul, for he resigned that year to become Municipal Inspector of Schools for Victoria. Byron I. Johnson, the first student of Victoria High School to become Premier of B.C., attended the school in that year.

After Dr. Paul's resignation, Mr. S. J. Willis became principal of the ever-expanding school. The enrollment of Victoria College and High School reached 485 in 1912. Besides this increased enrollment, there was a need for courses other than the traditional "three R's," so plans were discussed for a fourth High School building. A site at the corner of Fernwood Road and Grant Street was chosen, and on September 14, 1912, the Hon. Henry Esson Young, Minister of Education, laid the cornerstone for the present high school. Much credit must be given the Board of School Trustees and Mr. Willis for the remarkable foresight they showed in providing a building which, with only slight modification, has fulfilled the needs until very recently.

The new building was completed in May, 1914, and had been opened only a short time, when many graduates and students left in August aboard the Princess Sophia for the battlefields of France. During the war, the school was visited by the Duke of Connaught, Governor-General of Canada, and later by the poets, Bliss Carmen and Alfred Noyes, who read some of their works to the student body. Activities had become quite varied now and included sports such as basketball, hockey and track, as well as drama and orchestral music.

When Mr. A. G. Smith succeeded Mr. Willis in 1917, he became the first of three Smiths to hold the position of principal, the others being his successor Mr. H. H. Smith and Mr. H. L. Smith who retired last year. While Mr. H. H. Smith was principal, the first Students' Council of Victoria High School took office in 1924, under President Albert Russell.

The appointment in 1926 of Mr. Ira Dilworth as principal was a significant event, for he was the first graduate of the school to become principal. Although he was only 32 years old at that time, he proved to be a very able administrator and it was at this time that many excellent instructors were added to the staff, some of whom are still at Victoria High School. By 1930, the High School no longer shared the building with Victoria College, for the college was now housed in Craigdarroch Castle.

Mr. H. L. Smith, who taught at Victoria High School for longer than any other person, succeeded Mr. Dilworth in 1934 and continued as principal for twenty-one years before he retired in 1955. He was principal for only five years before the Second World War started, and students of Victoria High were soon overseas upholding the noble traditions of their predecessors. Those who were not on the fighting front helped on the home front through the Red Cross and Cadet organizations. Circuses were held and large sums of money were raised —from $2,200 to almost $3,000—to assist in the war effort.

Surprisingly enough, it was during these war years that the present type of Public Graduation Ceremony first came into being. Prior to 1943, it had always been an afternoon affair with dinner and student speeches in the cafeteria, followed by a dance in the gymnasium, but then it was moved to the auditorium to give parents a chance to attend. The majorettes were organized a year earlier, by a High School student, Earl Morrison, and they have been providing intermission entertainment at the basketball games ever since.

At the end of the war, many changes occurred in the staff at Victoria High School as returning servicemen started up where they had left off a few years before. One of the newcomers was Mr. L. J. Wallace, who had the idea of building a $20,000 Athletic Stadium as a memorial to the students who gave their lives in the war. The dream became a reality in 1951 when the stadium was finished and officially dedicated along with the cinder track. Although the Gyro Club partially financed the cinder track, the stadium itself was financed entirely by the efforts of the students—a fitting tribute to those who never returned.

The opening of the F. T. Fairey Vocational Technical Unit in 1949, gave Victoria High the facilities to offer all courses on one campus for the first time, but this did not mean that Victoria High School had reached a static point. On the contrary, history was repeating itself, for there were again too many students for the school to handle. So once more plans were made for expansion—both at Fairey Technical Unit and the main building.

Mr. H. L. Smith's retirement one year before the completion of the first addition, ended one of the most glorious eras in Victoria High School's history. A new era has now begun under the present principal, Mr. H. D. Dee, with the addition of a new gymnasium and four classrooms.

Valedictory

TODAY we part from Victoria High School, our old home during the past few years. Here the granite cornerstone, the foundation of our life, has finally been cemented together. And we thank you, Victoria High, with great pride and gratitude for your boundless generosity.

We say good-bye with sadness. We shall miss many precious things, our friends, our teams, and perhaps most of all, the understanding and sympathetic help and interest of our greatest friends, the teaching staff of V.H.S.

This year, so memorable to each of us, is Mr. Dee's first term as principal. He has shared our thoughts, our spirit, and our enthusiasm and may he share now our sincere wish that the future be as happy and as successful as our graduating year.

Although we can never return to the old school, our memories travelling in the dim past, will journey again through her portals and along her corridors that we know so well. And again, we shall be inspired by the echoing call of her leaders.

After High School WHAT?

Thinking of a CAREER — or just a job?

Like most smart students, you'll want a lifetime career — not just a job at so much a week. And a career in banking could well be the answer to your plans for the future. Banking today offers a wider variety of interesting and better-paid positions than ever before. Consider it seriously before reaching your decision.

And here are some of the attractions

Canada's First Bank offers young graduates starting in banking . . . good increases regularly if you are good at your job . . . an effective training programme to prepare you for advancement . . . promotion based on merit — not seniority . . . pension and group insurance benefits . . . a genuine combination of opportunity and security.

If you are interested in finding out more about banking as a career, have a chat with your nearest B of M manager. You'll find him most helpful.

It's Tradition in the Navy...

STRIKING THE SHIP'S BELL. Back in the days when the half hour glass was used to tell off the four hour watch, it was the duty of the ship's boy to turn the glass each time the sand ran out. To show that he was on the job, he was required to give the ship's bell a resounding ring every time he turned the glass. Later the bell was tolled in increasing numbers as the watch progressed so that one bell denoted the end of the first half hour of the watch, two bells the second half hour and so on until eight bells which signified the end of a four hour watch, just as it does today.

Share in the Navy's proud traditions as a naval reservist in your community.

When First My Way to School I Took

When first my way to school I took,
I wasn't big at all;
And long I used to stand and look
At all the boys so tall.

Now times are altered; if I care
To hit the roof, I can.
I'm six foot-three from heel to hair,
And what they call a man.

But I look back on days of old
With sadness in my heart.
Although I've worldly wealth untold,
My youth and I must part.

Oh, for those joyful hours so free
When work was done by four;
A sadness wells up within me:
Those carefree days are o'er.

GRADE ELEVEN

Division 10. Div. 10 has decided to bake a cake for you. For basic ingredients we have reliable people like Joan Hickey, Maureen MacIntosh, and Jack Stuart. Sugar is contributed by Darlaine Dovey and Penny Druce, and spice by Peter Ullock, Ken Donkersley and ol' Wayne 'n' Kerry. Our cake is mixed and baked by Daphne Holloway, Class Rep, assisted by Sheila Clark, Secretary.

Now for the decorations: a rugby ball for Bob Moore, a soccer ball for Tom Bourne, and hockey stick for Spencer Simmons. For the girls, a dancer such as Val Parkin, a songstress like Georgina Pethard, or a baton-twirler such as Lorraine Ferguson, member of Victoria Girls' Drill Team.

How do you like our cake?

Division 11. Passing "dugout" 409, you'll find a hardy team of athletes and scholars managed by Mr. Kay. Among the outstanding members are Peggy Standen, president and well-known brain; Nancy Allen, class rep: and John Devlin, up-and-coming Totem. Morale boosters, on the hilarious side of life, included Eric Eastick and Bob Beckwith. We are also well represented in the other school activities: Marion Mezger, Peggy Standen, Nancy Allen and Gurbachan Sangha are members of the Majorettes while Blair McLean and Dorcas Whittaker play in the band.

Division 12. In this lively div. you can find anything from a cross country runner (Ian Fraser) to a dancing girl (Joan Sims). Tony Aish and Jock Allan whiz by on a motorcycle and Barrie Hanslip, Lloyd Evans and Sharon Jay supply the band music. Our president is Paul Butterworth and our secretary is Val Rose. Ian Smith supplies the grey matter and Jean McLeod and Dan Patterson keep us up to date on sports. Taking command of our unruly mob is Capt. Thomson.

Division 13. Navigated under the watchful eye of Miss Sargent, Space Ship No. 13 is ready for her take-off piloted by "brains" Bev Gillies and Ted Walton. "Artistic" Donna Cranton checks flight charts, while high-stepping Majorettes Sharon Armstrong, Anne Frankham and Eileen Boychuk march aboard. Donna Campbell and June Wellburn giggle excitedly as Jeannie Burns and Mel Hendra entertain musically. As zero hour arrives "better - late - than - never - boy" Gary Lewis rushes in. "Man-of-languages" Lawrence Valiant shouts "Au revoir" as No. 13's off for summer vacations.

Division 14. Hey! Is that Home Ec. class burning the bacon again? Chief cook Dianna Mills and assistant Vivian Chan warn majorette Cathy Geib and cheerleader Marg Stephens to watch their waistlines. Music for our meal is supplied by Mary Leggett, Julie Beecroft, Dorothy Tonning, Louise Parry, Joyce Jenkins, Jean Davidson and Barb Sherriff. Stacking dishes in abstract forms are artists Carole Slater, Nada Clark and Joan Kolosoff. Sports enthusiatists Kay Rae, Anne Williamson and Pat Hilliar flip pancakes while Jazz Club member Jackie Porteous adds a beat here and there. Our competent manager is Miss Tervo.

Division 15. Enthusiasm is the key-note of this Tech class which is piloted by Mr. Stark, and led in sports by "Totem" George Vickery and Rugby star Don Shewchuck. Keith Galbraith is one of those rarely seen types who prides himself on his use of the French language. The three car-crazy dragsters in this class are Bob Casilio, Larry Elgood, and George de Lure. They can usually be found leading cross country star Norm Hamilton around by a rope, conditioning him for his long races. Naturally this class needs some smooth music to lull them while they work and "trombonist" George Faerber gets the nod for this activity. One guy who really "flips" around this class is "tumbler" Phil Garside While Peter Jubb and Adam Ustick just watch in amazement. All of us are looking forward to another wonderful year at our machines in the Tech building.

Division 16. This all-boy Tech class (girls take note) of future wood-bangers, wire-joiners, grease-monkeys, and tin-bashers registers with Mr. Murphy. Div. 16 is very active in school life, winning the challenge banner and holding it all year. Dick Austin, our class president and star athlete, handles our affairs, but Ross Copeland does all the deep thinking. Tony Gee and Lynn Eastwood are among the athletically-minded men, while Donaldo Fischer is musically inclined. Dennis "Homer" Connor and Jim Donaldson keep the ball rolling with their puns and crazy laughs.

Division 17. Div. 17, registering with Mr. Chatfield, spends their day commuting between Vic High and the Tech Shops. Class president Derek Stone and class rep. Bryan Scharbach ride herd on an enthusiastic group of motorcyclists and car drivers, who are universally known as "de boys." Fresh air enthusiasts (motorcycle riders) include Bill Mar, Bryan Scharbach, Jack Hensky, Jerry Stinson, Bob Ramsay, and class funnyman Jack Sambrooke. Ken Wong provides the brainwork for this spirited Div.

Division 18. Way up on the "forgotten" floor of V.H.S. is Mr. Trotter's room of dazzling damsels. "Gentlemen prefer blondes" so they say, and Alma is a firm believer of it, but brunette Bertha Chan ((who is also class rep and pres.) and brown-haired Frances are hoping to prove her wrong. Susan and Jean supply musical talent for the class while Judy, Jay and Rosalie are fashion models. The class does not want for anything in the "brains" department with Eva Nipp and Jean Harrison. There are also athletes in this active div.—Maureen Perry and Diane Humphries. To round out the class there is the better late-than-never gal Gette Jorgenson.

Division 19. Captain Pluym and his skipper Dave Wilson together have made barge 19 float through the year successfully.

At the end of the barge dangling their feet in the water are Dorothea McDonald, Brian Brown, and Ed Stefanek supplying the music for Sylvia McGillivary, Sonia Croker, Pat Neilson, and Joan McEwen singing the "Volga Boat Song."

Scraping barnacles from the bow is Tom Hall, our soccer player Lance Rutherford, Don Smith another athlete, and Wally Young our fun-loving joker.

Division 20. This all-girls' commercial class has sports enthusiast Sharon Mutter as President and Council Representative, while Terry Graham takes care of cash. We are also well equipped with talent, brains, athletic ability, and personality. Our warblers are Barb Moffit and Betty Wong and the brains are supplied by Lenny Dunham and Nancy Lou Poy. In the sports department we have Noreen Galbraith, Barb Mann and Denise McCulloch to represent us. Life is kept rolling with comical Gail Potter and Jo Ann Longbottom, while Barbara Palmer and Val Hudson explain their absenteeism to a doubtful Mr. Glover.

GRADE TEN

Division 21. Under the capable guidance of Miss van Engel, talent-packed Div. 21 keeps on an even keel. She is closely backed by council rep, Eric Robinson and his assistant Marion Elliott. Our representatives in the music department are Murray Holmes, Ed Pomeroy, Paul Williamson, Jim Whittaker, Gordon Eekman, Bob Jones, Ron Pool, Brian Caldwell, and Doug Alcock who add to the swing and sway of the school band. Artistic Jack Horn, Harold Ridgway, King Lee, Joan Hill, Pat Grayston, and Silvia Kirkins can often be seen creating "masterpieces" while Peter Garnet, Roger Steed, Peter Wilkinson, Mary Ward and Barbara Kueng keep up our scholastic percentage.

Division 22. In Div. 22's war canoe, our "big-chief," Miss Macqueen, takes her place at the prow. Next in line of rule, Dave Skillings, Class President, dangles his feet over the gunwale and dictates to Class Secretary, Gay Valecotte. Young "braves" Claudia Donald, Verna Quan, Donna Robertson, Jean Barker, and Elaine Chu are on the Junior French Club Executive. Amid-ship the intellects, Walter Creed, Maryette Mar, and Lonnie Restell hunch over their chessboards. Jackie Wright and Dave Skillings lead our sports-minded tribe while Don Kirkby supplies our music as our canoe heads on into the future.

Division 23. An all-girls' class, Div. 23, has really had a good year to start off with a Vic. High. Alayne, our pretty class representative, had a terrible habit of letting the council meeting slip her mind, (but she got there). Looking after the class, as president, was very able Sonja. Music came from Marlene, Barbara, Anne, and Elaine, while Leona kept that old typewriter busy. To complete the whole big happy family was Miss Crowe who held the torch of learning and kept the peace.

Division 24. Div. 24 registers with that hilarious Irishman Mr. K. Bloomfield. Denis Yee, well-known singer, and Lynda Chan, dancer, entertain us. Tom Hosie accompanied by Terry Toone supply the laughs. Our Einstein is Lilita Robinson. Among the band ranks are Bill Buckle, Gary Howard, Terry Toone and Bev Lupton. Div. 24 is well represented in sports by Avis Murrant, Joanne Mummery, and Roberta West. With class rep Gudrun Marquardt at the head aided by class secretary Margaret Wolos and supported by everyone, Div. 24 has completed a highly successful year.

Division 25. On the second floor, in the west side of the building can be found the roaring 25'ers, under that handsome young teacher, Mr. Clark.

Our all-male class is represented by President Skip McBratney, Council Rep. Kim Campbell and Secretary Ken Oliphant.

Freer, Plaxton, Andy Philipsen and Malcolm Sank are the "better late than never" boys while Bryon, Brice and Chesmen are always arguing about who has more muscle. Our chief badminton players are Barry Saunders and Ed Lee.

The class brains are Howy, Jake, Pat and Don who do everything from Chemistry to Latin. Our metal-work scholars are Rain and Jim who work hard at a piece of junk. The silent types are Dick Murphy, Tommy Lee and Roy who say nothing but observe a lot.

Division 26. This happy-go-lucky gang of woman haters (ha) is headed by sports enthusiast Willie Wong, who is class president. Other athletes include Bruce Atkinson, Jim Galbraith and Andy Meija. Every class has a funny man and a gum chewer and Phil Meyer and Mayne Marchment fill these jobs nicely. For guys with rubber-like bones it's Wayne Begg and Clarence Finnigan who belong to the Tumbling Club. If it's fellows with "legs" you're looking for it's Ken Leung and Bill Williams who belong to Cross-Country.

Division 27. This athletic Tech class is led by Ken Allen, who is the class rep as well as class president. The soccer player in Mr. George Andrews' class is Ted Conway, who also holds the post of vice-president. Heading the list of outdoorsmen in the class are Dave Beulah, Brian Craig, and Don Dickerson. Model Shipbuilding seems to rate high in this class, with Bob Cook, Dave Hall, and Doug Coppin all taking up this hobby. Even though this is the first year at Vic. High for these boys, they seem to have become accustomed to it already.

Division 28. Under Mr. J. Andrews, this tech. class registers in Room 403. Popular John Walls fills all the executive positions in the class as president-rep. Our athletes include badminton player Keith Louie, who also excels at chess and table tennis, soccer star Gary Libel, and swimmers Alex Hay, Harold Justus, Mike Brunhoeber, Fred Latham, and Bill Packasz. "Nature boys" Dan Macmillan and Fred Latham practically live out of doors, while romantic Del Balch and Howard Bell have most of their enjoyment indoors. Our future carpenter is Charlie Lim.

Division 29. Leader of this red hot jazz band is Mr. McLagen while Summerfield is the trumpet soloist. Everyone sways to the cool strains of the clarinet section composed of Watson, Stewart and Baker while Roskelly keeps in shape for soccer by beating out that rhythm on the drums. Vocal entertainer Stone finds an unappreciative audience in West-Johnson and mechanically-minded Davis. Playing first sax is Redfern, as hep-cats Phillips and Tennison play those twin pianos. Whitburn, Stule and Rosenburg finish up this little combo as the slide trombone players.

Division 30. Led by Mr. Mayne, famous

for his cashmere sweater, and president Margaret Koller, this happy-go-lucky div. has been registering in Room 205. Our vice-president, Larry Ballard and our secretary, Faith Zalischuk, offer our president some able assistance. Our div. claims some quite talented members such as Otto Chuuden, our football star, Herb Knibbs, our brain, and Gerald Quan, our band member. Our quieter class member is Robert MacDonald and our better-late-than-never girl is Stella Mahoney.

Division 31. Led by Mr. Machan, this all girls' "circus troupe" has had a healthy year. It's a wonder Mr. Machan hasn't gone grey with our mischief. (This goes for all our other teachers too.) Leading in the sports world are Sargent Dhillon and Carol Granton, while our enthusiastic swimmer is little Ena Hancock. In the brains department we have Joan Edgelowe and Bernice Smith. Our class rep. is Arlene Cannon who with her pal Arlene Williams are a couple of nice packages. (Incidently Arlene Williams pushes Arlene Cannon to meetings.) Our barrel of joy is Iris Calder who is also class president. When Iris, Shirley Geib, and Marlene Smith get together there's sure to be a joke or two. Our high stepping Lorna Campbell is a neat little thing when it comes to toe, ballet, and tap. All in all its been a pretty "rare" year. Thanks Mr. Machan.

Division 32. Miss Crawford is the head of this group of mirror crazy gals. Class rep. and president is Linda Martin. Next in line is Vivian Thomas, our class secretary, who also has a knack for hair-dos. Among the sports enthusiasts are basketball players Roselyn Matthews, Pat Perry and Marjorie Morris and volleyball players Dina MacKenzie, Sherrie Wallis and Gloria Sody. Bernice Rogers displays her baton twirling ability as a Vic. High Majorette. Quieter (?) members of our class are Judy Lundblad and Sylvia Lineham, while Gail MacDermid and Wendy Burbridge are usually handy for a laugh or two.

Division 33. Div. 33 is under the capable management and supervision of Mr. Long and class representative Erla Fenwick. It is composed of 30 members including representatives from nearly all the organizations around the school. In the sports field we have Bill Wilson and in the musical field we have Que Wong. Humorists Cathy, Sandy and Jean keep the class in stitches while future nurse Freda Thomas works hard to keep us together. In the "brains" department we have Rosemary Prichard and Barry Stoval. The "better late than never boy" Dave Work and the three "cuties"—Darlene Irwin, Joyce Waterman and Sharon Brown—make our class complete.

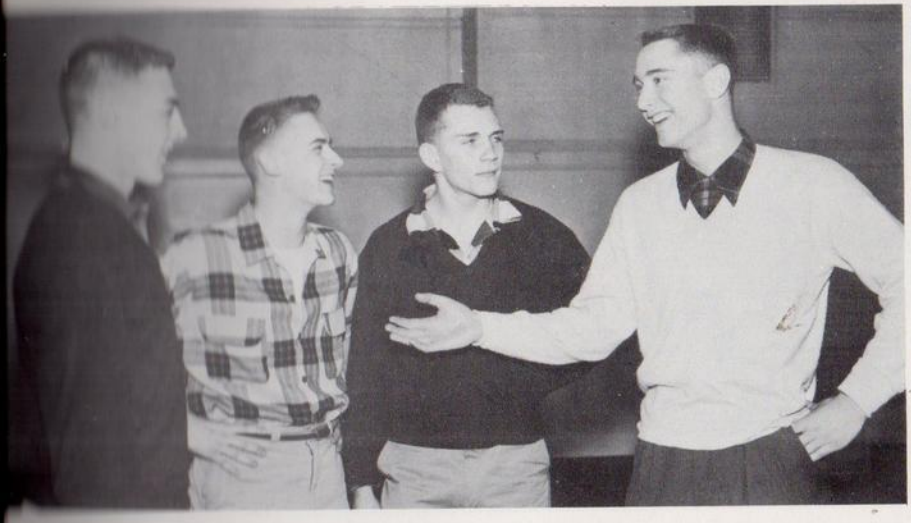
Alpha Hi-Y

Under the guidance of sponsor Mr. Don Smythe, Alpha has had a very prosperous year. The club, which hold its meetings every other Thursday, has raised money by selling pop at basketball games and dances, holding an evening dance, and helping run the mid-way at the circus. With this money they have bought metal starting blocks for track meets and a time clock for the new gym. The executive consisted of: President, Don Heywood; Vice-President, Bob McKee; Secretary, John Davies; and Treasurer, Al Hayton.



Beta Hi-Y

Sponsored by Mr. Lorimer, Beta Hi-Y has enjoyed a successful and active year in promoting school functions.

By selling pop at dances and basketball games and making Totem and tournament boosters we raised enough money to equip the junior rep. basketball team with new shirts and numbers.

At our initiation Mr. Jack Todd kindly projected his movies on the Empire Games.

Together with the Alpha Hi-Y we controlled the midway at the Circus and the two clubs ran a successful Hi-Y dance in April.

This year's president was Waldo Skillings, who was ably assisted by vice-president Brian Wooldridge, secretary Joe Haegert, treasurer Art Chiko, padre Bob Brown.

Future Teachers' Club

Under the excellent guidance of sponsors, Mr. D. E. Smith and Miss B. Sutton, the Future Teachers' Club, the largest organization in the school, completed a highly successful year.

Many very interesting meetings were conducted by president Robin Farquhar, who was ably assisted by vice-president Doreen Rogers and secretary Barbara Geddes. Committee members were Laurel Beale, Tom English, Waldo Skillings, Barbara Wallace, and Barri Worthington.

Besides making trips to Elementary and Junior High Schools and the Normal School, the club heard some very interesting speeches on teacher training, salaries, advantages and disadvantages of teaching, course outlines, and life at Normal School.

Camosunet

"The pen is mightier than the sword" could well be the motto of this year's Camosunet staff who scored many hits with their several sparkling editions of the school paper.

Editors-in-Chief, Barbara Wallace and John Lancaster, guided on by staff-advisor, Mr. S. Murphy, kept their 23 writers busy digging up juicy bits of gossip and news.

Among the recurring "old favorites," "Orchids and Razzberries" flowed from the able pen of Pearl Raels, Patricia Pettis produced "Class Presidents," Barbara Wallace contributed the ever popular "Sam Snoop's Diary," and Ian Smith ferreted out some interesting items for "Scene in Passing." The widely-read "Luff and Stuff" was written by Joan Kelly.

On the athletic side of the picture, Sports Editor, Robin Farquhar, kept readers informed as to the latest exploits of the current heroes. The girls' sports were covered by Lauvna Pellett.

Information as to the currently popular garments and gab was provided by the social editors, Joan Kelly and Barbara Beddington, while exchange of papers with other schools was carried out by Peggy Standen.

Division 7's commercial girls, under Gloria Milliken, handled the ever-important financial side of the newspaper as ad saleswoman.

Radio Club

With twenty-six active, enthusiastic future script writers and announcers, the radio club is striving to attain a bi-weekly half-hour high school radio programme in conjunction with a local radio station. They are planning very conscientiously and perhaps their goal will be attained.

Under the guidance of Miss Tervo and president Hew Gwynne, vice-president Garrie McNaughton, and executive manager, Norm MacLaren, they meet Thursdays during noon hour. The club has made definite progress during the year, and members are constantly kept busy by programme organization.

Jazz Club

Completing a "cool" year of progressive jazz, featuring the best in the field, the Jazz Club was enthusiastically led by Pat La Croix, Mel Hendra, Barb Millward, and John Fraser.

During the year the Jazz Club hosted the Bud Grover Quartet and the Bob Mercer Sextet and also sponsored a raffle and the Record booth at the Circus.

Thespians

Although hampered by a lack of stage facilities for almost half the year, members of Vic. High's National Thespian Society Troupe 560 have managed to keep in form by participating in several stage productions: the Circus Auditorium Show, the Drama Festival entry "My Last Duchess," Calamity Player productions and two plays produced by the Drama classes.

Calamity Players

Activities of this crazy crew led by Dave Mar were severely curtailed by a lack of stage facilities for much of this school year. However, a few laugh-packed assemblies have proved that what the players lacked in quantity they made up in quality. With the new stage finally completed all will be ready for a gala season next year.

Girls' Ensemble

Twenty talented and energetic girls combined early this year to form a Girls' Ensemble. Within close range of Miss Norma Douglas' watchful eyes and critical ears, the girls progressed to the point where they were judged on a professional basis for their performance in the Victoria Music Festival.

Together with twenty boys, these girls travelled to Vancouver, and as a group, participated in the British Columbia Festival.

Band

Band members under the leadership of Mr. Grant have completed a year of hard work and enjoyment. This year, Victoria was host to many members of bands from all over British Columbia as they gathered for the annual Band Conference, held April 26, 27 and 28.

Every second Wednesday morning assembly the band performed as well as at such functions as the Howard Russell games, the Circus and the Victoria Music Festival, in which they took top honours.

Next year, the band is looking forward to playing in a sound-proof music room in the new wing.

Senior French Club

This year's French Club has enjoyed a highly successful term. Consisting of the entire French 92 class and a few 91's, "le cercle français" has been treated to some interesting and educational meetings which were conducted in French. These gatherings, feature games, popular French music, projections, dancing and informative talks by teachers and guests.

The executive members are: President, Jerry Devine; Vice-President, Robin Farquhar; Secretary, John Gilliland, and Treasurer, Joanne Dawson. The club sponsor is Mrs. H. Hodson.

Junior French Club

The Junior French Club was formed in October and is composed of French 20 students. Executive members are: President, Claudia Donald; Vice-President, Donna Robertson; Secretary-Treasurer, Verna Quan. Social Committee: Elaine Chu, Jean Barker and Ingrid Esher. Sponsoring the club are Miss Macqueen and Miss van Engel.

Meetings are held every second Friday at noon in room 302 with a simple programme of French games, songs, and skits.

Junior Red Cross

Again the Junior Red Cross is being held under the sponsorship of Miss van Engel. Executive: Vanessa Wright, Pres.; Kay Nickelson, Vice-Pres.; Marian Collis, Sec.; Donna Robinson, Treas.

Our main project was the fund drive. We were successful in raising $145. Next came the rush collection of clothing for the Koreans. While doing this we were knitting an afghan. We are now collecting pictures of Canada to make a scrapbook which we hope to send to Germany. Also we are paying our share to buy a handloom and wheel stoppers for wheelchairs. Members went to work in the canteen of D.V.A. hospital during February.

Chess Club

For the first time in many years Chess has been played in Vic. High's hallowed halls. Executives Mike Horn and Peter Roach got the ball rolling back in September and after President Bob Smith and Vice-President John Gilliland dug the Chess sets from the attic, an active club of about 30 could be found in room 302 every noon-hour. In February an Inter-High School Chess Tournament was held, and Vic. High went all out. In fact, out of eight games they lost seven to Mt. View, which only goes to show that we'll have something to take from Mt. View next year.

Boat Club

The Boat Club met every Tuesday in room 403 with Mr. J. Andrews at the helm. Commander Bill Buxton, with assistant commanders Dave Thom and Hugh Archer were our head men. The club has been taught the use and identification of sails, sailing craft, and rigging. Club members have also been instructed on the use and adaptation of charts to our coastal waters. In the future, Mr. Andrews' crew will receive instruction in the use and care of motors and boats.

Square Dance Club

Under the direction of Mr. Wallis, Mr. Trotter, Miss Sutton and Mr. Chatfield, the Square Dance Club had a very successful year. Meetings were held twice a week, Tuesday and Thursday noon. President was Walter Dakers, Vice-President, Barrie Worthington, and Secretaries, Gloria Milliken and Deanna Medland. The club was composed of eighty-five members from all grades who danced to the music of records purchased from the membership dues. Another first for the school, the popularity of this club will ensure its return next year.

Farewell

As well as being the last year at Victoria High for the Grads, this year 1955-56 is to be the last for three of the staff.

U.B.C.'s gain will be Victoria High's loss when our vice-principal, Mr. R. H. Heywood takes over his new position in the school of Commerce at U.B.C. in Vancouver.

Miss E. Cameron who has been at Vic. High for twenty-nine years, thirteen of them as head of the Math. department, retires this year. Miss Cameron has been in charge of the scholarship students for many years, as well as having been responsible for the drama up until a few years ago.

Mr. Thomson is leaving Victoria High in June for a new position as vice-principal of Colquitz Junior High School.

We wish these popular staff members the best of luck in the future.

The Circus

Vic. High was the scene of fun and festivity as the school was turned into a giant "big-top." Organized to raise money for such projects as new curtains for the auditorium, the two-night extravaganza managed to amass over $2,000.

Preparations, which began in early January, took the form of "a job for everyone" as each division undertook to prepare a special attraction. Home-cooking and foreign foods delighted those with culinary trends while a "horror-house" constantly gave forth shrieks and screams. Amateur talent from the school provided entertainment in the form of a well-organized variety show which was featured four times each evening.

Taking the place of a play or operetta, as put on in former years, the circus not only provided money for many student activities but also gave pleasure and amusement to everyone who helped to make it a success.

Totems

Bob Tomlinson— Centre. Most valuable player in Inter-scholastic and Totem tournaments and Vancouver Island All-Star. Bob has a smooth hook and jump shot and was a top scorer this year.

Waldo Skillings—Forward. Waldo, the tallest player on the team, has amazing accuracy with his long jump shot from the side. He is also a strong rebounder.

Ed Kowalyk — Guard. Inter-scholastic All-Star and Vancouver Island second All-Star. Ed, our shifty playmaker, also excels on defence, and can score from outside.

Art Chiko — Forward. Most valuable player and All-Star in Vancouver Island Tournament. Art has a deadly jump shot and hits a high percentage of his free shots.

Brian Wooldridge — Forward. Brian saw limited action this year because of a knee injury. He scored well with a jump shot and one hander when playing.

Dick Austin—Guard. Dick, with a good one hander, fitted in very well in his first year on the team.

Tom English—Guard and captain of the team. Vancouver Island All-Star guard. Excellent jump shot and driving lay-up. Good play-maker.

Dave Wilson—Centre. "Whip" supplies the laughs for the team. He has developed a good turn around jump shot during the year.

George Vickery—Guard. George has a nice jump shot and should come into his own next year.

John Devlin—Forward. Has come along well this year and has developed into a strong rebounder.

Basketball Tournament

The Sixth Annual Vancouver Island Basketball Tournament was held at Mt. View this year. As expected, the Alberni Chieftans and the Totems met in the finals, as they have in four previous years. The Totems came up with their best game of the year, winning by 11 points to leave no doubt in anyone's mind who the best on the Island was.

This convincing victory helped to wipe out two one-point defeats at the hands of the Chieftans, including the Totem Tournament at Alberni.

The Totems also won the Inter-Scholastic Tournament for the third time by beating Royal Roads and Victoria College Vikings.

In March the Totems travelled to Vancouver to participate in the British Columbia High School Tournament for supremacy in the province. The Totems got off on the right foot by trouncing Cumberland and were pitted to play Lester Pearson, the Tournament favorites, the next day. Due to nervousness and poor shooting the Totems were beaten by 10 points by the team that went on to capture the laurels. Following this the team defeated Salmon Arm and Oliver to finish in fourth place. This marked the eighth consecutive year that a representative of Victoria High had finished with a 3 - 1 record in the B.C. Playdowns.

Thus the team finished with an overall record of 20 wins and 4 losses.

Inter-House Basketball

As always the inter-house basketball league provided many interesting noon hours for the students who watched the games in the gymnasium. This year, as in the past, it achieved its purpose in that a great number of players participated.

SENIOR

This year's battle for league honours was one of the closest in many years. House III led by Terry Lore, Ian McDougall and Bob McKee, finally ended House II's two-year reign. House I paced by Doug Barber and Bob Brown finished second by one point. House II and House IV finished third and fourth respectively, but could easily have finished higher with a little more luck.

JUNIOR

This league was dominated by House IV which had one of the strongest teams in the history of junior house basketball. House I edged out House II and House III for second place honours by a very thin margin.

Thanks are due to Mr. P. Glover, who unselfishly devoted his noon-hours for the betterment of the league.

Congratulations to Vic. High Graduates

Boys' and Girls' Swim Team

Once again our swimming team was defeated by Oak Bay High, but this time the closely-contested gala was lost by only two points.

Under the guidance of Mr. Don Smyth, the Vic. High team started training a full month before the gala and was chosen before the Inter-House Gala was run off.

This was the first time a team has been selected in this manner, and it proved very successful in that it separated the really keen swimmers from the indifferent ones.

And her head became bigger and bigger.
